A full-page sheet of white graph paper with a light gray grid. The grid consists of small squares, approximately 1 cm by 1 cm. There are three thick vertical black lines running from the top to the bottom of the page, dividing it into four columns. The first column is about one-third of the width, the second is narrow (about 5% of the width), the third is wider than the first (about two-thirds of the width), and the fourth is narrow (about 5% of the width).
